#### **STATEMENT OF PURPOSE**

Rochdale Islamic Academy is a school with an Islamic ethos. We strive to provide all our students with a caring and supportive environment to enable them to develop spiritually, morally, academically and socially according to the teachings of Islam.

We are committed to the pursuit of an equal opportunities policy which addresses the need and right of everyone in the school to be treated with respect and dignity, in an environment in which a diversity of back grounds and experience is valued. This policy applies to all pupils and staff, teaching and non-teaching at Rochdale Islamic Academy.

Islam does not accept any form of inequality. It says in the Quran: -

*“O mankind! We created you from a single (pair) of a male and a female and made you into nations and tribes, so that ye may know each other (not that ye may despise each other). Verily the most honoured of you in the sight of Allah is (he who is) the most righteous of you. Allah has full knowledge and is well acquainted (with all things).”*

*(The Holy Quran: 49:13)*
